

pC5nr [Download] The Belly Book: A Nine-Month Journal for You and Your Growing Belly (Potter Style)

CONTINUE ►

Before you get to meet your baby, you spend a swell (so to speak) nine months getting acquainted with your growing belly. The first pregnancy journal devoted 100% to you and your belly, The Belly Book is organized by trimester and includes pages for “time-lapse” belly photos and ultrasound images, as well as prompts for writing about morning sickness, food cravings, maternity clothes you never want to see again, and much more.
