Dave Ramsey's New York Times best-selling guide to better living through financial security, now completely revised and updated. Dave Ramsey knows what it's like to have it all. By age 26, he had established a four-million-dollar real estate portfolio, only to lose it by age 30. He has since rebuilt his financial life and, through his workshops and his New York Times business best sellers *Financial Peace* and *More than Enough*, he has helped hundreds of thousands of people to understand the forces behind their financial distress and how to set things right—financially, emotionally, and spiritually. In this new edition of *Financial Peace*, Ramsey has updated his tactics and philosophy to show even more readers: With practical and easy-to-follow methods and personal anecdotes, *Financial Peace* is the road map to personal control, financial security, a new, vital family dynamic, and lifetime peace.
