Say goodbye to scratching your head in confusion. This LLC audiobook could be the answer you're looking for. A limited liability company (LLC) can be the right choice for any business owner seeking to reduce liability and protect his or her assets. This type of entity has several advantages over operating a sole proprietorship or partnership. Unlike a sole proprietorship or partnership, an LLC shields the owner or owners from liability, and unlike a more complex corporation, management structure is loose, there is no board of directors to answer to, and with an LLC being a pass-through organization, no double taxation which corporations are subject to unless one elects to be taxed as a C or S corporation. In this audiobook, you will discover the ins and outs of an LLC and find out if it's right for you. Here are just some of the topics that are discussed within this audiobook: LLC's explained, pros, cons LLC case law: A cautionary tale LLC and piercing the corporate veil Steps to starting an LLC LLC state-specific guidelines LLC hiring tips LLC accounting explained LLC taxes Transitioning an existing business into an LLC Dissolution of an LLC And much more Get this magnificent audiobook today!
