Intercultural Competence provides students with the tools to succeed in today's intercultural world. Blending both the practical and theoretical, this text offers students the requisite knowledge, the appropriate motivations, and the relevant skills to function competently with culturally-different others. The text provides a discussion of important ethical and social issues relating to intercultural communication and encourages students to apply vivid examples that will prepare them to interact better in intercultural relationships. Learning Goals Upon completing this book, readers will be able to:
