A USA Today Best Seller Tori... For the record, I'm not going to hook up with my boss. I'm a lot of things - a screwup, a basket case, a flunky. But when I take a nanny job to be near my pregnant sister, I swear to myself I'll walk the straight and narrow, which means I cannot fall for my insanely hot boss. I don't want to be tempted by that rugged rancher. By his chiseled muscles or southern charm or the way he snuggles his kids at bedtime. Ethan Carter won't get the key to my heart, no matter how much I want him. Ethan... Between us, she's the last thing I need as I finalize my hellish divorce. What sane man trying to rebuild his life wants a hot nanny with long, sexy hair, curves for miles, and a smart mouth? A perfectly kissable, pouty mouth that I shouldn't notice. My focus is on my kids and my ranch, not the insufferable siren who sleeps in the room next to mine. It doesn't matter that she wins over my kids in a heartbeat or runs my life better than I do. Tori Duran is the one woman I can't have and shouldn't want, no matter how much I crave her.
