Taxes for Small Businesses Finally Simplified - Learn the Important Things Without the Fluff Did you know the typical small business owner works three to four months just to earn enough profit to pay taxes? Whether you've been in business for several decades or are breaking ground as a new entrepreneur, taxes are a significant expenditure. They must be accounted for and incorporated into your business plan from the very beginning. Failing to account for taxes when planning, budgeting, and assessing revenue goals for a business is like failing to account for the expense of your rent or mortgage - it's an absurdly hefty expenditure that must be understood, tracked, and, whenever possible, paid for on time. With Taxes for Small Businesses QuickStart Guide, you will come to understand taxes from the inside out. This book has been specifically designed with ease of learning in mind to ensure you don't get stuck or lost or lose hope when trying to understand small business taxes. Never again will you need to waste your time searching the Internet or watching videos. Become a small business tax expert who fully grasps the ins and outs of taxes for all types of small business. This knowledge will help you not only in your current business creation but in all other future business endeavors. What you'll learn... How to handle the IRS How to accurately keep records How and when to handle payroll taxes The most important (and most frequently missed) deductions The biggest tax mistakes that businesses make Much, much more!
