This firefighter has the perfect gift for a single mom and her little girl if theyll take him. A holiday story from New York Times bestselling author Vivian Arend. All Bradley Ford wants this holiday season is a date or three with sweet Hanna Lane. Hes the new fire chief, recently returned to Heart Falls to help his father after an accident. And while he wasnt expecting to find someone like Hanna so soon, Brad is certain that Hanna and her adorable daughter, Crissy, are perfect for him and his plans to settle down. Hanna has been taking care of herself since she became a single mom at sixteen. The only pure, honest love she trusts is her little girls, but for the first time in eight years, her libido flares to life. Something about Brad draws her like a moth to a flame, which is always a bad idea for the moth. When a fire leaves Hanna and Crissy homeless, Brad offers them shelter at his familys homestead. Crissy insists theyve moved in with Santa. Hanna is not sure how she keeps ending up under the mistletoe with Brad. And Brad? Hes hoping for the best Christmas gift of all.
