Sexy girl spies, drawn as only J. Scott Campbell can! Danger Girl follows the story of renowned Archeologist and adventurer Abbey Chase as she is recruited by a super-secret spy organization. Along with fellow operatives, Sydney Savage and Natalia Kasstle, Abbey receives her first mission: to locate a series of mystical relics and keep them out of the hands of the Hammer Syndicate, a huge criminal network bent on world domination! The massively popular Danger Girl is collected in this oversized trade paperback with a new cover and over 20 pages of Danger Girl drawings and sketches by J. Scott Campbell, many published here (in softcover!) for the first time.
