

## XbXEc [GET] Stand in My Shoes: Kids Learning About Empathy

**CONTINUE ►**

When Emily asks her big sister what the word empathy means, Emily has no idea that knowing the answer will change how she looks at people. But does it really matter to others if Emily notices how they're feeling? Stand in My Shoes shows kids how easy it is to develop empathy toward those around them. Empathy is the ability to notice what other people feel. Empathy leads to the social skills and personal relationships which make our lives rich and beautiful, and it is something we can help our children learn. This book teaches young children the value of noticing how other people feel. We're hoping that many parents read it along with their children.
