CONTINUE ►

9 Stories in 1! What Should Danny Do? is an innovative, interactive book that empowers kids with the understanding that their choices will shape their days, and ultimately their lives into what they will be. Written in a "Choose Your Own Story" style, the book follows Danny, a Superhero-in-Training, through his day as he faces choices that kids face on a daily basis. As your children navigate through the different story lines, they will begin to realize that their choices for Danny shaped his day into what it became. And in turn, their choices for themselves can shape their days, and ultimately their lives, into what they will be. Boys and girls both love and relate to Danny, while enjoying the interactive nature of the book--they never know what will come next! Parents and Teachers love the social-emotional skills the book teaches through empowering kids to make positive choices while demonstrating the natural consequences to negative choices. A must have on every bookshelf.
