

[Download] 5 lb Book of TOEFL Practice Problems: Book + Online Resources (Manhattan Prep 5 lb Book Series)

ManhattanPrep's 5 lb. Book of TOEFL Practice Problems is an essential resource for students of any level who are preparing for the TOEFL. Developed by our expert instructors, this book includes: 1,500+ questions across 36 chapters in-book and online Problems sensibly grouped into practice sets by section and academic prompt 10 bonus appendices on core skills, such as English vocabulary and grammar Test-taking strategies and advice based on learning science Online chapters, audio tracks, and question banks provide realistic, computer-based practice Innovative layout of annotated answers and explanations all in one place Instructions and explanations written in clear, transparent English for efficient learning From the team behind the bestselling 5 lb. Book series comes a title designed for you, the TOEFL student. The 5 lb. Book of TOEFL Practice Problems has more practice questions (1,500+!) than all three Official Guides combined, and the questions are sensibly grouped into sets that allow you to learn by topic. All questions accurately mirror those found on the TOEFL in content, form, and style. This book also features an innovative new layout of answers and explanations (no more flipping back and forth!), and it's written in clear, transparent English. Build fundamental skills in Reading, Listening, Speaking, and Writing through targeted practice, while easy-to-follow

explanations and step-by-step processes cement your understanding of TOEFL concepts. Take your practice to the next level with online question banks featuring realistic, computer-based practice to better simulate the TOEFL test-taking experience.
