

[Download] Basic Life Support (BLS) - First Aid Certification Course Kit - Including Practice tests - Review of BLS and detailed instruction of ACLS algorithms - A complete BLS course on the NHCPS website

CONTINUE ►

The BLS instructor manual course teaches both single-rescuer and team basic life support skills for application in both pre hospital and in-facility environments, with a focus on High-Quality CPR. In previous edition, the initial steps for this course were Airway, Breathing, Compressions or ABC but according to literature the starting step should be Compressions because early in compressions process will increase the survival rates. Therefore, the steps have been changed to Compressions, Airway, Breathing, or CAB. These BLS first-aid course techniques are based on the most recent research and organized in systematic steps called the Chain of Survival, which begins with Basic Life Support (BLS) health personal care based on the latest AHA Standards and Guidelines (2015-2020). How to use First Aid and tell you about team dynamics. Our education training material is created and maintained by practicing physicians, adhering to American Heart Association duck guidelines. This BLS for health care providers let you know about health care law and ethics. Keys for BLS: This course will let you know when and how to use an Automatic External Defibrillator (AED). This course participant to promptly recognize several life-threatening emergencies, quickly start the Chain of Survival. Health care ethics deliver high-quality chest compressions to circulate oxygen to the brain and vital organs. Deliver appropriate ventilations, Health care management and provide early use of AED, Provide rescue breathing. Understand how to work with other rescuers as part of a team and how to treat choking. Approximately, every five years, the AHA updates the guidelines for CPR and ECC. The content contained herein is based on the most recent AHA publications on BLS and will periodically compare previous and revised recommendations for a comprehensive review.
