CONTINUE ►

There is nothing more dangerous than an Alpha protecting her mate. What would you do to protect yours? Meghan, is a member of the Redstone Timberwolf Pack. She has been under the control of Calisse, the Alpha of the pack with some of the other females. Her life is mere existence and unhappiness. When her family decides to flee and seek refuge with Adrianna, Alpha of the Errigal Druid Pack, Meghan finds something more than what she bargained for. Will Calisse just let them leave? Delve into a world of pack rules, order, jealousy, domination and a battle to the death.
