

[Free PDF File] Barron's US Citizenship Test (Barron's United States Citizenship Test)

CONTINUE ►

This manual has been updated to include explanations of recently instituted government procedures and regulations that pertain to application for United States citizenship. Progressive exercises, in addition to providing a review of information needed for the test, build practice in using spoken and written English. Topics include reviews of U.S. history, geography, and government, explanation of application procedures, advice on filling out citizenship application forms, and up-to-date information on eligibility for naturalization.
