My life is one long fevered dream, balancing between being killed or killing. The name Harley Crow is one to be feared. I am an assassin. A killer. The villain. I own it. I choose this life. Hell, I crave it. I hunger for it. The smell of fear makes me hard and is the very reason the blood runs through my veins. Until I meet her Marlowe Masters. Her darkness matches my own. In my twisted world of dancing along the jagged edge of the blade she changes everything. No weapon can protect me from the kind of death she will ultimately deliver. *Villains & Vodka is a dark billionaire romance. If you don't like a splash of shock, a dash of taboo, and a heavy dose of sex, then don't take a sip of this TOP SHELF cocktail.
