An audiobook for anyone who cares deeply about the future of the church. Once upon a time, there was a version of our faith that was practically...irresistible. But that was then. Today, we preach, teach, write, and communicate as if nothing has changed. As if "The Bible says it" still settles it. It's time to hit pause on much of what we're doing and consider the faith modeled by our first-century brothers and sisters who had no official Bible, no status, and humanly speaking, little chance of survival. What did they know that we don't? What made their faith so compelling, so defensible, so irresistible? Buckle up...you're about to find out. More importantly, Andy will invite you to embrace the version of faith that, against all odds, initiated a chain of events resulting in the most significant and extensive cultural transformation the world has ever seen. A version we must embrace if we are to be salt and light in an increasingly savorless and dark world. "This book challenged me to rethink my thoughts about the Old Testament, discuss with fellow believers what I was learning, do more connecting and less correcting of others, and be salt and light, making things better and brighter. I love how Andy loves people...all of them." (John Maxwell, author of *The 360 Degree Leader*) "It's time for the church to rethink how it presents a timeless gospel to this generation. In *Irresistible*, Andy Stanley challenges us to

make sure we handle the Scriptures with the kind of integrity that compels everyone to seriously consider following Jesus. Any Christian who reads this book will suddenly find themselves embracing the mission of Jesus with a new passion." (Reggie Joiner, author, founder, and CEO of Orange) "Andy Stanley takes you on a historic journey to rediscover the first-generation passion of what it means to faithfully follow Christ. This book will knock you off center, push you out of complacency, and reawaken an unshakable faith that cannot be ignored." (Craig Groeschel, pastor of Life.Church and author of Hope in the Dark - Believing God Is Good When Life Is Not)
