Simple ways to strengthen any relationship With more than 10 million copies sold, The 5 Love Languages continues to transform relationships worldwide. And though originally written for married couples, its concepts have proven applicable to families, friends, and even coworkers. The premise is simple: Each person gives and receives love in a certain language, and speaking it will strengthen that relationship. For singles, that means you can: Whether you want to be closer to your parents, reach out more to your friends, or give dating another try, The 5 Love Languages: Singles Edition will give you the confidence you need to connect with others in a meaningful way. "Nothing has more potential for enhancing one's sense of well-being than effectively loving and being loved. This book is designed to help you do both of these things effectively." Gary Chapman Includes a quiz to help you learn your love language, plus a section on the pros and cons of online dating.
