They call me beautiful. They call me a monster. Soon, they'll call me death. As a direct descendant of the God of Death, Cassandra Saélihn is considered the most dangerous monster of all time. Her own mother locks her in a cage to protect the world from her. Cass thought this jail would be her world for a lifetime, but then four sexy, formidable warriors--a vampire lord, twin fae princes, and a demigod--find her. They claim she's not a monster, but a powerful weapon. The Olympian gods have begun to destroy the Earth with a vengeance, and only she can stop and kill them. But Cass has a mind of her own and can't be told what to do, no matter how drawn she is to her four warrior saviors. To their dismay, the four warriors can't tame the wild, cunning, and volatile Cass. But they have a bigger problem--their growing attraction toward her. To turn the woman they desire into the ultimate weapon and ensure Earth's survival, they'll have to conquer her body and heart, which seems even harder than winning the war against the atrocious gods. But nothing turns these alpha males on more than an impossible dare. And nothing turns Cass on more than being stalked. Warning: This is a full-length reverse harem fantasy/paranormal romance that features one hell of a strong woman and her four powerful supernatural mates. It contains brutal battles, explicit love scenes, raw
