This coloring book offers an enjoyable, highly effective way for students to learn physiology. Topics are covered in self-contained two-page spreads, allowing students to easily focus on the material being presented. A unique combination of introductory material, names and illustrations to be colored, and substantive captions deliver a comprehensive, yet easy-to-understand, treatment of physiology. The Physiology Coloring Book is the companion to the extremely successful Anatomy Coloring Book, which has sold more than 2.5 million copies.
