From her free-spirited mother, Sunny Goodwin learned the value of peace, love, and Jerry Garcia. The inheritance from the father she never knew? That's a little more complicated...Sunny never expected to find herself owning a centuries old silk mill in the shadow of Virginia's Blue Ridge Mountains . . . or becoming a half-sister to a ten-year-old named Bailey. Once the shock subsides, she plans to cash in and head back home. But the overgrown greenhouse she finds on the property calls out to the gardener in her, and she senses Bailey's need for nurturing too...And someone else is making it hard for Sunny to leave: Sawyer Hartwell, an Iraq War hero who wants to make the old mill a creative hub for the artisans of Blue Hollow Falls . . . and wants Sunny to share his vision, and his life. But sexy as this ex-soldier may be, she's not sure she's ready to give love a chance...We all know where there's Donna Kauffman, there's a rollicking, sexy read chock-full of charm and sparkle. Kauffman's characters are adorably human and so very magnetic. USAToday.com
