Prioritization, Delegation, and Assignment: Practice Exercises for the NCLEX Examination, 4th Edition is the original and most popular NCLEX review book on the market focused exclusively on building prioritization, delegation, and patient assignment skills! Using a unique simple-to-complex approach, this best-selling text establishes your foundational knowledge of management of care, then provides exercises of increasing difficulty to help you transition to practice in today's fast-paced healthcare environment. This new edition features more than 60 pages of additional questions, a completely new pharmacology chapter and questions, a content re-alignment to match the latest National League for Nursing guidelines for delegation and patient assignment, increased inclusion of LGBTQ-related scenarios, updated infection control coverage, and much more!
