He's a bad boy trying to be good... Ford's gone from playboy to responsible CEO. Since inheriting his father's billion-dollar corporation, he has everything to prove. He also has a secret. Her name is Autumn, and her voice is perfect. Sometimes sweet and innocent, sometimes sultry and seductive, but always exactly right. She's a good girl pretending to be bad...Autumn's fantasy hotline job helps pay the bills--and with a sister to raise, she has lots of those. So the shy 23-year-old plays the roles the callers want.Except with Ford. He wants the real Autumn. And she can't help wishing he were more than a voice in the night. When Autumn's in danger and Ford rushes to her rescue, their unlikely connection becomes a Cinderella story. But Autumn has a secret, too... one that might destroy their fairy-tale romance.Charming is a full-length romance novel with steamy scenes, no cheating, and a very happy ending.Note: This edition is a new release of an edition originally published by Sophie Brooks.
