

[GET] Communication Theories in Action: An Introduction (with InfoTrac) (Wadsworth Series in Speech Communications)

CONTINUE ►

This text introduces students to a select set of leading theories in the communication field and demonstrates how these theories apply to their lives. Chapters group theories coherently so that students can compare and contrast different approaches to particular interests in the field (for example: relationships, performance, language and mass communication). DISCLAIMER: "We cannot guarantee the availability of this ebook on an external site."
