A fast-paced collection of four complete romance novels from bestselling author, Cami Checketts. Don't miss the first book in each of Cami's billionaire romance novel series. *The Fearless Groom*: A bachelor auction, a hot football player, and the right woman to bring him to his knees. *Izzy Knight* walked away from her father's billions and his Titans football team to become a nurse practitioner at a children's hospital. She's busy and accomplished and certainly has no room in her life for a larger-than-life football player who goes through women faster than she completes a shift at the hospital. *Xavier Newton* loves football but hates the games that go along with it. When the owner of the Titans forces him and his buddies to be sold like cattle at a bachelor auction he barely endures the event, until a feisty brunette bids half a million dollars for him. He's completely drawn to Izzy, but when he finds out her father is the owner of the Titans sparks fly and everybody's loyalties are challenged. Can these two find love when they don't know who's waiting to tackle them from the blindside? *The Protective Warrior*: A daughter escaping, a Navy SEAL sent to protect her, and the beautiful island that might prove more dangerous than her father. *Ally*, daughter of the Duke of Gunthry, has spent her life terrified of her father and dreams of the day when she can escape his tyrannical rule. When her mum helps her escape to the beautiful island of Kauai, Ally thinks she's found paradise and maybe more with the handsome River who keeps crossing her path. But there are

unexpected enemies lurking in the shadows. And no matter how tough River seems, no one can withstand the army her father will send when he discovers her location. River Duncan is part of an elite security task force of ex-Navy SEALs. Little does he know his first assignment might prove irresistible to resist and protect. When he finds himself falling for the fun-loving Ally he plans to resign his position so they can join forces in their common goal of fighting human trafficking. River has never underestimated the enemy before, but is he fully prepared to protect and love Alexandria Gunthry? Will River's protection and Ally's love be enough to conquer a lifetime of fear and responsibilities? Or will they be forced to give up on their dreams in the face of her sadistic and powerful father? The Resilient One: Alyssa Armsworth, a world-renowned photographer, has no intentions of honoring the Billionaire Bride Pact she made at girl's camp to avoid getting whipped cream smeared on her face while she slept. Marriage is the last thing on her to-do list and when her father forces his wealthy friends on her, she runs to Maui. Her plan to jog on the beach, take some great pictures, and avoid men works—until Beckham Taylor arrives. Spending days on the ocean with the handsome ex-NHL star is ideal, but Alyssa's guilt for past transgressions begins to consume her. She doesn't think Beckham could ever forgive what she's done to him and his family. Before she can confess, her misdeeds are thrust onto the front cover of the tabloids. Now, Alyssa must face her past or lose her future. Caribbean Rescue: Zack Tyndale was destined to win gold in the 2012 Olympics, but he tripped and shattered his own dreams. Running from his controlling father and the compassion in everyone's eyes, he buys an island in the Caribbean where he can live blissfully alone. Madeline Panetto's graduation present is a trip sailing around the Caribbean on her father's yacht. Unfortunately, her father is a pirate, and when there is an uprising on his ship, she escapes and crash-lands on Zack's island.
