New York Times best-selling author, personal transformation guru, and life coach for the Steve Harvey Show and Today Lisa Nichols shares her journey from scarcity to abundance, outlining steps everyone can take to create abundance in career, relationships, self, and finances - while creating a legacy for others to follow. With a foreword by Steve Harvey. Twenty years ago Lisa Nichols was a single mother dependent on public assistance and jumping from one dead-end job to the next. Determined to break out of the defeatist mind-set, negative behavior, and bad habits that were holding her back from success, she resolved to change her life. Today she leads the life of her dreams. In Abundance Now this icon in the field of personal transformation shares her secrets for creating a life that is rich in every way possible. Focusing on the four areas of life that must be refined to bring true abundance, or the 4 Es - enrichment, enchantment, engagement, endowment - Nichols identifies the framework upon which a fulfilled existence is built. Abundance Now offers provocative lessons, actionable plans, and real-life case studies and makes clear what we must do every day to attract abundance, how to act as if we are already leading abundant lives, and how to open the door to a life of richness in our work, our relationships, our finances, and our view of ourselves.
