Why do the nice guys always finish last with the ladies? If you ask a girl what she wants in a man, you will hear such descriptive words as caring, loving, loyal, and genuine. But what gives? You are all those things, and it doesn't work with the girls. Forget what girls say they want in men; this book is going to reveal the truth. Some of this stuff women don't even know! I am going to show you how to approach, seduce, and attract more hot women than you know what to do with. I will show you seven killer approaches that will get her number every time, and, even more importantly than that, I will reveal the five biggest reasons girls reject guys (even if they actually like them). Learn how to stop putting girls on a pedestal and daydreaming of getting them into your bed. Renowned self-confidence coach Craig Beck teaches you the most advanced techniques used by alpha males around the world to get the girl every time. Use the techniques in this book, and I guarantee you will get friend zoned less, get much hotter girls than you ever have before, and get as much a sex as you want!
