AmandI never expected my little brother's best friend to be so handsome. As crown prince, I certainly have my pick of gorgeous men all drooling for so much as a glance. Daniel isn't like that. He was a little surprised about Ricard's royal lineage, but he's taken the shock well. I wonder what else he can take with such grace. DanielWhy didn't my best friend ever tell me he was royalty? I don't think it'd have changed anything, but wow! And wow! He's in debt up to his eyeballs to a bunch of very bad people. His brother seems like a good guy, though. Smart, fun, and incredibly good-looking. Is it out of bounds to have a crush on your buddy's brother?I don't know, but I'm going to find out. This 60,000 word novel is smoking hot, filled with royalty drama and sticky relationships. 18+ only. This material is intended for adults!
