

I2AG8 [Free PDF File] Waging Heavy Peace

CONTINUE ►

An iconic figure in the history of rock and pop culture (inducted not once but twice into the Rock and Roll Hall of Fame), Neil Young has written his eagerly awaited memoir: "I felt that writing books fit me like a glove; I just started and I just kept going." Young offers a kaleidoscopic view of his personal life and musical career, spanning his time in bands like Buffalo Springfield, Crosby, Stills & Nash and Crazy Horse; moving from the snows of Ontario through the LSD-laden boulevards of 1966 Los Angeles to the contemplative paradise of Hawaii today. Candid, witty and revealing, this book takes its place beside the classic memoirs of Bob Dylan and Keith Richards.
