**CONTINUE ►**

Halloween Fantasy Coloring Book by Molly Harrison contains 26 single sided Halloween and autumn themed illustrations for you to color. Witches, vampires, fall fairies, fancy ladies in an atmosphere of autumn. Each page is blank on the back side. This coloring book is suitable for adults and older children (I recommend no younger than 9, but abilities among children vary). Recommended mediums include colored pencil, alcohol markers such as Copic markers or Prismacolor markers (there are many other brands, such as Michael's brand Artist Loft which are great too). Pastels and gel pens also work nicely. Some people even use eye shadows which gives a nice effect. Don't be afraid to combine mediums for a lovely effect. Be sure to see Molly Harrison's other coloring books here on Amazon and if you are interested in a downloadable book, you can visit [www.mollyharrisonart.com](http://www.mollyharrisonart.com) or [www.etsy.com/shop/mollyharrisonart](http://www.etsy.com/shop/mollyharrisonart).
