Covering the mental health expert's many roles as therapist, mediator, evaluator, consultant to attorneys, expert witness, and more, Philip M. Stahl's *Conducting Child Custody Evaluations: From Basic to Complex Issues* addresses key topics such as the best interests of the child, custody and time share, divorce and its impact on children, and children's developmental needs. From tackling the terror of testifying to critiquing your own child custody evaluations and avoiding bias inherent in this work, this practical and easy-to-read book offers comprehensive coverage vital to practitioners in this field.
