CONTINUE ►

A trusted resource for couples struggling to have childrenMillions of Americans experience infertility problems, leading to further hardships, including stress, sexual difficulties, marital discord, and a disturbing uncertainty about the future.While focusing on these and other emotional and spiritual struggles that accompany infertility, Glahn and Cutrer also provide detailed information on associated medical issues and fertility treatments and alternatives. Questions at the end of each chapter and lists for recommended reading promote further discussion while case histories and personal testimonies make the facts relatable.
