Divorced and disillusioned about relationships, Theresa Osborne is jogging when she finds a bottle on the beach. Inside is a letter of love and longing to "Catherine", signed simply "Garrett". Challenged by the mystery and pulled by emotions she doesn't fully understand, Theresa begins a search for this man that will change her life. What happens to her is unexpected, perhaps miraculous - an encounter that embraces all our hopes for finding someone special, for having a love that is timeless and everlasting. Nicholas Sparks exquisitely chronicles the human heart. In his first best-selling novel, *The Notebook*, he created a testament to romantic love that touched listeners around the world. Now in this New York Times best-seller, he renews our faith in destiny, in the ability of lovers to find each other no matter where, no matter when.
