**CONTINUE ►**

Basketball drills coupled with strong fundamentals are the key for any top basketball player. "You can practice basketball shooting eight hours a day, but if your technique is wrong, then all you become is very good at shooting the wrong way. Get the fundamentals down and the level of everything you do will rise." - Michael Jordan. People believe that in order to excel at anything in life practice is absolutely essential. What most people will not tell you is that without technique, discipline and character no amount of practice will help you achieve your goal, especially when it comes to basketball. I have been coaching basketball in 20 countries over the past 30 years and can safely say that I have considerable experience in teaching the game. Perhaps I know more about it than an average coach. Throughout this time I have developed a core philosophy regarding the game, which works on several important skills for effective basketball conditioning. Today I want to share this unique knowledge with you. My book, "How to Be Better At Basketball in 21 days - The Ultimate Guide to Drastically Improving Your Basketball Shooting, Passing and Dribbling Skills" is a rigorous program designed for amateurs and professionals alike. It is guaranteed to improve your form, develop new basketball skills and get you in perfect conditioning before the start of a new season. You will also discover:
