There are three types of people in the Exosian Realm—males, females, and pirates. I'm a pirate. One with six overprotective fathers for a crew. And if I'm telling the honest truth, not just the pirate truth, having so many fathers is working pretty well for me so far. When I'm caught eavesdropping on the pirates of Malice, they retaliate with violence, and my fathers become set on revenge. But simple payback cascades into shattering misfortune. Unexplainable magical happenings and impossible creatures propel me toward a fate much darker than stealing plunder. A terrible beast drags forth horrible truths of my fathers' pasts which call my entire life into question. Now, my sheltered upbringing is swelling into a furious storm that I must, for the first time in seventeen years, navigate without my crew. An intense russet-haired landlubber seeks to help me. A savvy silver-eyed Malice pirate strives to hinder me. But the further I drift, the more I wonder—am I helping or hindering myself? Can I stand on my own two feet to claim victory? And if so... what will that victory cost? Prepare to sail into a realm of gritty high-stakes adventure, swashbuckling characters, forgotten magic, and slow-burn romance. A story full of heart, with a large twist of humor, scroll up and one-click to discover this exciting new tale by USA Today Bestselling author, Kelly St Clare, today!
