Round them up, rope them and love them! Cowboys are a girl's best friend. They ride hard and love harder! D'Ann Lindun's amazing set of novellas set in the contemporary west are filled with sexy cowboys and the strong women who love them. Lily's Summer Cowboy Friendship, passion and so much more... Afraid to love, Lily Halderman is determined to never feel despair like when she lost her husband to cancer. Left alone to continue their custom farming business, she struggles to stay afloat, both financially and emotionally. Will Wainwright is running from the pain of the past. But, Lily's grit and determination to move forward catches him off guard. Friendship turns to passion ... but can they heal one another? Cowboy Bred, Cowboy Born Despite their determination to stay the course they've each chosen, attraction pulls photographer, Alannah and rancher, Sterling together as steadily as a nail to a magnet. Can these two find a way to mesh Alannah's need for freedom and Gentry's desire to hold onto his land? Ride, Cowboy, Ride Can they find freedom together? A locked up heart. Broke, busted and blue. Can an ex-con and a woman determined to stand strong, find a romance which will last a lifetime? Falling for the Cowboy He craves solitude to forget what a woman did to him. She needs one last chance before her career ends. Can a plane crash in the Canadian Rockies show them what really matters? A Cowboy Kinda Christmas When an angel driving a red Mustang runs Nick Hadley's sleigh off the road, his first reaction is indignation. His second is awe. The beautiful woman makes him forget his past and look straight into the future. If he takes a chance on love, she will change his life forever.
