Updated to reflect recent modifications in federal and state law, this book is a quick-reference source for lawyers, law students, legal professionals, and interested laypersons. The author defines more than 5,000 legal terms, using nontechnical language that remains legally accurate. Terms are documented with citations and apply to civil procedure, commercial and contract law, constitutional law, criminal law, property law, and torts. This is a "mass-market-size" paperback. This Law Dictionary is also available from Barron's in a trade edition that features larger pages with large type.
