This collection of Neruda's most essential poems will prove indispensable. Selected by a team of poets and prominent Neruda scholars in both Chile and the U.S., this is a definitive selection that draws from the entire breadth and width of Neruda's various styles and themes. An impressive group of translators that includes Alastair Reid, Stephen Mitchell, Robert Hass, Stephen Kessler and Jack Hirschman, have come together to revisit or completely retranslate the poems; and a handful of previously untranslated works are included as well. This selection sets the standard for a general, high-quality introduction to Neruda's complete oeuvre. Pablo Neruda was born in Chile in 1904. He received the Nobel Prize for Literature in 1971.
