CONTINUE ►

Every year, more than 5 million Americans go through the process of planning their wedding. For most brides, wedding planning is time-consuming, expensive, and stressful. But with proper information and organizational tools, much of the agony and expense of planning a wedding can be eliminated. This is what this book is all about. The Ultimate Wedding Planner & Organizer 2nd Edition features a beautifully redesigned look. A scrapbook starter kit is also provided so the bride can use her planner as a keepsake long after her wedding is over. This planner combines expert wedding-planning tools and information within a convenient three-ring binder so it can be customized to the unique needs of the individual bride. The book includes over 150 comparison charts, checklists, timelines, and budget analysis worksheets to help the bride plan the entire wedding. In addition to all the information necessary for planning a successful wedding, this book contains 6 dividers and 12 pockets for the bride to store important documents such as brochures, reservation confirmations, contracts, receipts, and much more. Other handy organizational tools include business card holders, a three-hole punch, a graph paper notepad, a wedding-planning calendar, and a tote bag.
