There is no better way to get children to learn than by giving them hands-on, fun activities that blend enjoyment with information. While inviting children to draw pictures of Bible stories, the saints, and their favorite part of the Mass, the book provides a solid explanation of the liturgical seasons, including the significance of colors, holy days, and feast days. Children are encouraged to add their own family celebrations to the feast days of the Church thereby coming to the knowledge that we share a connection with God's family in Scripture, the Body of Christ. Highlights: --an activity with lasting value: children can pull out the colored calendar from the center of the book and put it up for display -- parents and teachers will appreciate the book's affordable price Ages 7-11.
