New York Times best-selling author Alison Weir tells the spellbinding tale of the last days of Henry VIII's second wife. Accused of adultery, incest, and treason, Anne Boleyn is locked in the Tower of London on May 2, 1536. Despite maintaining her innocence, she's quickly condemned to death. Soon, one sword stroke sends her into eternity. But as her remains rot in the sun-unblessed by coffin, marker, or funeral-few know the truth behind her swift demise.
