Internationally acclaimed artist James Williamson creates memorable paintings of ships and maritime scenes. Each original painting of an authentic ship in this beautiful twelve month calendar has been created with clarity and emotion. The paintings are accompanied by information highlighting the ship's story and distinctive characteristics. Ships 2016 offers spacious grids with lots of writing space, international holidays and moon phases. There are sections at the back of the calendar for emergency contact information and birthdays/anniversaries and a full-page 3-year at-a-glance. Earth friendly, printed with soya-based inks on FSC certified paper. A beautiful gift for anyone interested in ships, boating, or maritime history.
