**CONTINUE ►**

Tucked away in a remote corner of North Carolina's Fort Bragg, behind rows of razor wire and heavily armed guards, lies the headquarters of the nation's most elite counter-terrorism unit: the United States Army's 1st Special Forces Operational Detachment Delta. Here, a brilliant new approach to combating terrorism has just been born. Its codename: The Athena Project. The novels will follow an elite team of female warriors from their recruitment as top-level athletes, through their training, to their deployment on some of the most exciting and dangerous international assignments the fiction world has ever seen. Brad Thor's listeners will be electrified as he employs his vast knowledge of covert operations and military intrigue to bring to life his most heart-pounding, globe-trotting thrillers yet.
