The standard bearing guide for multicultural counseling courses now enhanced with research-based, topical, and pedagogical refinements Counseling the Culturally Diverse: Theory and Practice, 7th Edition is the new update to the seminal work on multicultural counseling. From author Derald Wing Sue one of the most cited multicultural scholars in the United States this comprehensive work includes current research, cultural and scientific theoretical formations, and expanded exploration of internalized racism. Replete with real-world examples, this book explains why conversations revolving around racial issues remain so difficult, and provides specific techniques and advice for leading forthright and productive discussions. The new edition focuses on essential instructor and student needs to facilitate a greater course-centric focus. In response to user feedback and newly available research, the seventh edition reflects: Offering the perfect blend of theory and practice, this classic text helps readers overcome the discomfort associated with discussions of race, provides real-world examples of how to discuss diversity and difference openly and honestly, and closely examines the hidden and unwritten rules that dictate many aspects of diversity in today's world.
