

[Download] Drawing the Head and Hands

CONTINUE ►

The illustrator Andrew Loomis (1892-1959) is revered amongst artists - including the great American painter Norman Rockwell and comics superstar Alex Ross - for his mastery of figure drawing and clean, Realist style. His hugely influential series of art instruction books have never been bettered. Drawing the Head and Hands is the second in Titan's programme of facsimile editions, returning these classic titles to print for the first time in decades.
