A new oracle deck from the beloved and irreverent spiritual teacher Tosha Silver (Outrageous Openness, Change Me Prayers) offers inspiration to help users "let go and let God" on their way to a more spacious and abundant life. Nothing is more exhausting than endlessly working on "yourself." When you offer your whole Being fully to Love, self-acceptance arises spontaneously. May I rest in our Oneness, dear Divine! If you read the lines above and think, Easier said than done, this oracle deck is for you. In 52 beautifully illustrated cards, beloved spiritual teacher and author Tosha Silver uses her accessible, slightly quirky style to convey her key teaching messages of Surrender and Offering to Divine Will. These messages, familiar to readers of Tosha's highly acclaimed books (Outrageous Openness and Change Me Prayers), are, at their essence, about releasing attachment to ego-defined outcomes. Each card addresses a particular situation--Aging, Ambition, Money, Regrets, Solitude, Travel, Truth--with a comment or invocation that encourages you to offer your pain around this situation to the Divine, and to call in Divine Will for the highest outcome. Intentionally non-prescriptive, the deck can be used in a variety of ways: as an oracle where the Divine guides you to a specific card; to carry or put on an altar as a reminder to reflect on a specific issue; or in any other way you are drawn to use it.
