**CONTINUE ►**

Comprehensive, intelligent overview of all the key concepts covered in a typical introduction to law course. Divided into three parts, reflecting the topics addressed in an introductory course: Part I, Paralegals and the American Legal System; Part II, Finding and Analyzing the Law and Part III, Legal Ethics and Substantive Law. A critical thinking approach is used to introduce students to the study of law, encouraging students to interact with the materials through hypotheticals, examples, and well-designed questions. Key Features of the New Edition:
