

## CpHMn [Free PDF File] The Neighbor

**CONTINUE ►**

When Laura Fry returns to her childhood home to care for her mother, she hopes the writer's block that has swallowed her writing career will disappear. She doesn't plan on turning into a "yard girl", but her mother's long neglected lawn beckons her to return it to the lush and colorful display it had been before her mother's accident. Laura also doesn't plan on making friends with the "nympho lesbian" next door—but she finds it impossible not to watch the parade of playmates that show up at her neighbor's pool. Cassidy Anderson likes pool parties and female company. And while the pool remains the same, the female company changes nearly every weekend. As her mid-forties approach at an alarming speed, she's still searching for the love of her life. When she finds herself seeking out the company of the cute tomboy next door, Cassidy starts to think that maybe she's been looking in all the wrong places. Could it possibly be the neighbor who holds the key to her heart?
