In this first-ever coloring book from American Vogue, you are invited into a world of fashion fantasy. Twenty-six archival magazine covers from 1912 to 1932, by ten celebrated illustrators living here and abroad, take you back to a more playful and whimsical moment of boas, bows, hats and headpieces, fans, pearls and gloves, and even exotic animals. Coloring book fans of all ages can try their hand at the Art Deco patterns and letters from A to Z and the lively drawings of women dressed for the task at hand, whether it is driving their own car, pruning morning glories in the garden, feeding a dragon, steering a gondola, sitting on a crescent moon, perched on a peacock or riding a zebra-side-saddle, of course. This is the Vogue woman as liberated, stylish, and always dressed for adventure. At the back, don't miss the twenty-six Vogue covers in their original colors with lively captions as well as a stunning six-page gatefold of twenty-one glamorous dresses from 1912-1932 to color, tear out, and display.
