Mario is a criminal. He's tough, he's rich, and he's feared. He gave up everything to become the man he is, even the love of his life. Alexandria is desperate. Her dad just died of cancer, and she had to sell everything to pay the bills. With no options left, and no one to turn to, she decides stripping is all she can do. But what happens when the man that owns the strip club can't pay Mario the money he owes him, and Mario becomes his partner. Will seeing the girl he left behind stripping, be enough to decide its time to claim her? But someone else wants her too, and he will do whatever it takes to win. Follow along, as Mario fights off a stalker, with the help from The Stone Knight's MC and a couple of crazy detectives!
