"Don't even think of buying a boat until you have read this book" Tom Cunliffe (legendary sailor and author of The Complete Yachtmaster). The idea that you have to be rich to travel the world on your own yacht is so universal that it goes largely unquestioned. The ubiquitous images of rich men on super-yachts sipping Martinis only help cement this image. This book hopes to change all that. Rick and Jasna's recent appearance on Ben Fogle's New Lives in the Wild chronicled their budget lifestyle and adventures aboard Calypso, and introduced the idea of budget sailing to a whole new audience – an audience who may have never considered the possibility that such a dream could be made a reality, on such a small amount of money. This book is for them and for any experienced sailors who want to cast off the yoke of consumerist yachting and get back to what really matters at sea. If you are not rich, but dream of seeing our beautiful world from the deck of your own boat, this book is packed full of practical and spiritual advice to help you cut through the endless marketing and identify what it is you truly need to become a modern sea gypsy and sail away on the greatest adventure of your life...
